## SUMMARY

Frontend Developer with a solid foundation in web technologies, including React.js, Next.js, and UI/UX design. During my internship, I gained 10 months of hands-on experience in building responsive and interactive user interfaces, translating Figma designs into scalable and maintainable code. I am passionate about creating seamless and engaging user experiences and dedicated to writing clean, well-documented code. As a collaborative team player, I bring a proactive mindset and a strong commitment to continuous learning to every project.
